

Hey guys...

I hope you're all staying safe and not driving your parents too crazy by now! 😊

The topics/lessons in this file is the original plan which would have taken us up to The Easter Holidays.

You'll see;

- 1-Church and religion reformation
- 2-Medicine – The discovery of Smallpox
- 3-Galileo

There is a mix of reading, information and questions and this amounts to around 4-6 hours of lessons.

Please take the time to do this over the next 4 weeks (maybe longer) and if you have any questions you can contact me on:

holly_rowlands@yahoo.co.uk

Take care and keep safe!

Mde Rowlands
