

Hey guys,

I need to check that all work is completed before we begin a new topic (we should start a new topic after the holidays)

I need you please to scan you work to me, I will check it and give you feedback.

The deadline for this work is **MONDAY 13th APRIL**

If I do not receive the completed work, **I will be contacting parents and asking for explanations.**

We have no idea what will happen after the holidays and we need to be well-prepared for the end of the school year if and when we return to school.

I hope you are all well

Take care,

Madame Rowlands
