

A Letter of Hope

Alberta's wildfire has affected so many people. Families have lost their homes, children have lost their schools and playgrounds, and some people have even lost their lives. Now is your chance to send some kind words of hope to the people of Alberta. You will write a letter to someone your age who was affected by this tragedy.

In your letter you must:

- Tell about a time when you lost something important and how you felt
- Give at least 3 tips/pieces of advice
- Be positive!

A Letter of Hope
