

The Wildfire

The Situation

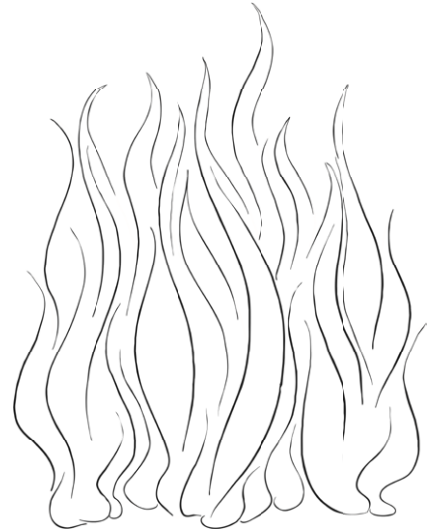

- There is a wildfire in a town close to where you live.
- Everyone there is leaving to go somewhere safer.

The Problem

- You and your family just heard the news: you must evacuate your home immediately.
- The wildfire is spreading, fast.

The Mission

- Look at the list of items with your group.
- Discuss: choose items that you will take with you.
- Everyone in your group must agree on the items!

You can only take 15 items! 3 from each of the 5 groups.
